Qaida Al-Jihad in the Arabian Peninsula

Glad Tidings for the Believers

"Report of the Detention of the Deputy Director of Political Security in Saada."

Praise be to Allah, Who says: **"But indeed if any do help and defend themselves after a wrong (done) to them, against such there is no cause of blame."** [Ash-Shura: 41] Peace and prayers be upon His gracious Messenger, and his family and his Companions.

By the grace of Allah, one of our companies of Mujahideen has successfully arrested General Muhammad Salah Al-Hassam, the Deputy Director of Political Security in Saada on the 16th of Ramadan 1431 H, which corresponds with August 26th 2010. He has been managing spy agencies against the Muslims for twenty years. He terrorised the people, and raided the homes of peaceful people. He kidnapped some religious students from Dar Al-Hadeeth in Dammaj and unjustly and maliciously put them away in the Political Security prisons.

If the apostate government is interested in the well being of its spies, then it has no choice but to release the brothers Hussain Al-Tayys and Mashhoor Al-Ahdal within 48 hours of the publishing of this announcement.

We point out that the brothers Hussain Al-Tayys and Mashhoor Al-Ahdal were detained by the Shiite Houthis at one of their check points in Joof. After that, the Houthis delivered them to the Director of Political Security in Saada (Yahya Al-Morani) according to the confessions of the Deputy Director of Political Security, who is being incarcerated by us.

**{“And Allah hath full power and control over His affairs;
But most among mankind know it not”}**

Pray for your brothers the Mujahideen
