Front of Support – Statement no. 26

Statement about the martyrdom operation in the Al-Maysir neighborhood in Aleppo  
2012/06/07

All praise is due to Allah, Lord of all that exists, peace and blessings be upon the seal of all prophets Muhammad

To proceed:

After follow-up and monitoring for four days of the roving patrols in the Al-Maysir region and its surroundings, Alhamdulillah a martyrdom operation was carried out by one of the brothers in jihad who chose this path and way, when a patrol consisting of five cars each carrying five figures as well as a bus carrying 24 figures of the oppressive Taguti regime who are called: Battalion of Order Maintenance was standing, and all of them were armed with Kalashnikovs, so the martyrdom seeking brother – may Allah accept him – headed towards the bus and entered it and executed ; inflicting heavy losses amongst them with the grace of Allah, and we were informed that among the killed is an officer in the rank of captain from the Al-Shaar police station.

This operation has caused a big damage to the soldiers of the enemy.

And we wish that there be bigger, more powerful and effective operations after this operation.

And Allah is the master of His affair, but most people do not know
