Front of Support – Statement no. 30

Martyrdom Operation against the Military Security headquarters – Al-Salihya – East Deir Al-Zour

All praise is due to Allah, the All-Mighty, the Possessor of Retribution, and the Compeller. Peace and blessings of Allah be upon our messenger, Muhammad, the chosen one, upon his household and noble companions; to proceed:

From the grace and favor of Allah that He facilitated for the youth of Islam the ways of repelling the tyranny of the tyrants, and the bawdry of the criminals and murderers, who aggressed on the religion of Allah and its followers, they inflicted on the people an unprecedented oppression, but from the grace of Allah the people rose up rejecting the stay on the oppression, and giving humility in religion so they did jihad to raise the word of Allah and defend His religion and repel the injustice on the people of Islam.

Since the greatest thorn of this oppressive bloody regime is its security services the enthusiasm of the soldiers of the Front, may Allah give it pride, headed towards it to destroy it over the heads of its elements.

Alhamdulillah the soldiers of the Front destroyed many of these security headquarters in many Syrian cities, by big martyrdom operations.

From these operations is blowing up the headquarters of the Military Security headquarters in Al-Salihiya east Deir Al-Zour.

The location was monitored after it was indentified a primary goal due to its criminality and oppression, and the martyrdom seeking brother who decided to execute the operation was (Al-Laith Al-Forati) we ask Allah to accept him among the martyrs.

He drove a car full of explosives and penetrated its barriers and reached to it and detonated it demolishing its building, leaving it destroyed floor, filling the hearts of the dogs of this regime and its elements with panic from the moment which hides for each one of them to make him taste the glass of death.

And Allah is the master of His affair, but most people do not know
