### Statement regarding the treacherous Jewish raid on the land of Sinai

The Almighty says: (Permission (to fight) is given to those upon whom war is made because they are oppressed, and most surely Allah is well able to assist them) 39 Surah Al-Hajj

In light of the rapid changes that are passing on the land of Kinanah, came the painful event represented in the shelling of the Jewish unmanned drone for a group of mujahidin on the land of Sinai, to reveal the amount of conspiracy which its parties colluded and their pettiness reached to the level of killing a group of the best sons of Sinai in broad day light, but they devised plans and Allah too had arranged a plan; and Allah is the best of planners.

And towards what happened and its repercussions we in Mujahidin Shura Council confirm the following:

**Firstly:** we mourn with great sadness a group of the sons of proud tribes of Sinai, the heroes of Jamaat Ansar Bayt Al-Maqdis whom their blood spilled on the blessed land due to that treacherous raid: **Hussein Al-Tayhi, Yousri Al-Sawarka, Ibrahim Al-Maniyee and Mohammed Al-Maniyee**, may Allah have mercy on them all and accept them among the martyrs, and raise their level in Iliyin.

**Secondly:** This treacherous raid wouldn't occur if it wasn't by the direct coordination and collusion from the Egyptian army, and this army have added by this treachery a new page in the series of violations for the blood of the Muslims, since the hands that killed and burned the mujahidin in Sinai during the Ramadan of last year, are the ones that killed the worshipers and demonstrators in the squares of Cairo and Alexandria, and it is the same that facilitated the killing of the mujahidin today in Sinai, so will you take a lesson!

**Thirdly:** This serious incident should remind the Egyptians of the reality of their first enemy, who are the Jews who are crouched on the land of occupied Palestine, and if the

Egyptians have overlooked for decades the fighting of this criminal enemy because of the policy of the apostate rulers who were dominant on them, but the day has come when the blaze of the fire of the Jews reached the Egyptians homeland, by killing the best of their sons the mujahidin, which makes it obligatory to prepare and be ready to confront those Jews and repel their aggression.

#### **Finally our message to the proud tribes of Sinai:**

Blessed for you the martyrdom of those heroic men, these faces are successful Allah willing, they have written with their pure blood a new bright page from the pages of jihad of the sons of Sinai against the criminal Jews, and what happened should be a motivation for the tribes to gather around their sons the mujahidin and offer all the aid and support and assistance to them, since the mujahidin are the protectors of the homeland and the seekers of revenge, and abandoning or being negligent in supporting them means that your land, blood and sanctities will be violated by the enemies whenever they wish, and they will never have that Allah willing.

So make from the martyrdom of your sons a light and fire, a light which its sun has risen across Sinai when this pure blood shed from these pure bodies, and a fire which its blaze burns the enemies and traitors and criminals.

(And to Allah belongs the might and to His Messenger and to the believers, but the hypocrites do not know)
