Avenging the Honour of our Prophet ﷺ

10 Ramadhan 1436 (27/06/2015) - All praise is due to Allaah who said:

“You killed them not, but Allah killed them. And you threw not when you did throw but Allah threw, that He might test the believers by a fair trial from Him. Verily, Allah is All-Hearer, All-Knower” [Al-Anfal, 17]

And may peace and blessings be upon our Noble Messenger Muhammad ﷺ who said: “I have been sent forth with the sword before the Last Hour to ensure that Allaah alone is worshipped without any partners. And my provisions have been placed beneath the shade of my spear. And lowliness and humiliation have been cast upon those who disobey my command.”

At 0500 hours Friday morning, on 9th Ramadhan 1436, Mujahideen fighters from the ‘Sheikh Abu Zubeyr Battalion’ stormed a Burundian crusaders’ base in the town of Leego, in the Wilaayah of Lower Shabelle, overrunning the base and killing more than 80 crusaders in revenge for the honour of our Prophet Muhammad ﷺ.

The Mujahideen, who swore to take vengeance against the crusaders – both the Burundian foot soldiers and their French masters - for vilifying the Prophet of guidance ﷺ, initiated the attack with a Martyrdom operation targeting the gates of the base and opening a route for the Mujahideen. Moving swiftly and in a coordinated manner, the Mujahideen took full control of the base within a short time, secured its perimeters and combed the area for the remaining crusaders.

By the blessing of Allaah alone, the Mujahideen managed to inflict a crippling blow to the crusaders, weakening their strength and seizing the entire cache of weapons at the base, including vehicles and heavy weaponry, before setting the base on fire. The corpses of more than 60 Burundian crusaders have also been retrieved from the battle zone and are now in the custody of the Mujahideen.

The blessed attack - which took place near the same spot where the Ethiopian crusaders were massacred nearly two weeks ago – was, by the permission of Allaah, fully documented and images of the attack will soon be published by Al-Kataib Foundation for Media Productions Insha-Allaah.

{But honour belongs to Allaah and His Messenger, and to the Believers; but the Hypocrites know not}
