### Statement Clarifying Media Reports about Al Risalah Magazine

Praise be to Allah alone. Peace and blessings be upon the Messenger of Allah and his family and his Companions. And henceforth:

After the release of the second issue of Al Risalah Magazine, many media outlets, including al-Jazeera, sought to discredit it and attribute its authorship to other than Al Risalah Media. We see these actions by the media outlets as proof of the power and influence of this magazine, having intimidated and vexed their masters the kuffar and the murtadeen to the point they have made their goal to end its publication.

As everyone has witnessed the joyful reactions of our brothers and sisters for this magazine, and the angry response of the enemies of Allah, we in the Global Islamic Media Front, the official and exclusive distributor for Al Risalah Media, confirm the following:

1. A clear example of the media casting suspicions on the magazine and confusing the Muslims, is the al-Jazeera report on the article by Sheikh Abu Qatada al-Falastini, may Allah preserve him, "The Markets of Faith". We tell al-Jazeera to check the response by the Sheikh himself to their report on his Twitter page, which reads:

"The beloved brothers in Al Risalah Magazine published an article of mine titled: The Markets of Faith, in the English language. May Allah reward them, for the magazine is beneficial to all Muslims".

2. Contrary to how the media identified the authorship and its affiliation, we reiterate that Al Risalah Magazine is an independent magazine produced by the beloved brothers the Mujahideen in Shaam, may Allah reward them for their work for the Ummah, and it has no connection to our brothers in Jabhat al-Nusra, may Allah reward them and bless them.

3. Your brothers in the Global Islamic Media Front assure our brothers the mujahideen, the ansaar, and the whole Ummah in general that the important and powerful publication Al Risalah Magazine will continue to be published despite the wishes of the kuffar and the murtadeen.

4. To all the dear brothers and sisters that contacted the Global Islamic Media Front, we say: May Allah bless you. Due to the high number of messages, we ask you to be patient and forgive your brothers if you have yet to receive a response. Inshallah, all messages will be replied soon.
