

“But Allah will complete His Light, even though the Unbelievers may detest (it)”

Only a few days after Trump warned of Islamic Terrorism in his inauguration speech, we witnessed the American massacre in the Qiffah area in Yemen.

Hence, it is clear to us all that the threat was not directed at the Mujahideen of the Islamic Ummah alone, but instead it was directed against the Muslims in general, whether they are men, women, or even children, since the Americans in this massacre intentionally killed women and children, and even an infant in the womb was not spared from their brutality.

And on this occasion we say to the stupid president Trump: The presidency of your country has had several presidents in years past, whom all have promised the American people to kill the Mujahideen and excise them. However they all ended up leaving the White House before fulfilling their promise, despite some of them having a second term.

This is undoubtedly your fate, for the flame of Jihad has ignited and reached all over the world.

“But Allah will complete (the revelation of) His Light, even though the Unbelievers may detest (it).” (As-Saff 4)
