Brief Messages To A Victorious Ummah - 9th Episode

"Tel Aviv Is Also the Land of Muslims"

Sheikh Ayman az Zawahiri

In the name of Allah, and praise be to Allah and prayers and peace be upon the prophet of Allah and his family and his companions and those who follow him

Oh Muslim brothers everywhere, may Allah's peace and mercy and blessings be upon you.

Thereafter

There was a big uproar over America's decision to move its embassy from Tel Aviv to East Jerusalem.

The sellers of Palestine and the countries of agency and treachery announced: this is contrary to the agreements and decisions of the most arrogant.

I do not address the sellers of Palestine, nor the countries which claim to protect the creed and defend Muslims, while they are the agents of the enemies of Muslims.

But I address every honorable and free Muslim, and I say to them: we must fight the battle of consciousness before the battle of weapons, and we must be free of illusions, and we must not mix up the enemy from friend, and we must realize the schemes of the enemy, and we do not back down before it.

To remind my Muslim and mujahidin brothers and the sincere scholars, that I would like to clarify to them that all countries of the Islamic world which are members in the United Nations have recognized Israel by signing the United Nations Charter, which confirms the unity and territorial integrity of each of its states, including Israel, and they recognized – also by the same signature – with leaving ruling by Shariah, and were satisfied with ruling by the decisions of the Security Council and the General Assembly, among them the decision to partition in the year 1947 and the decisions of two hundred and forty two resolutions and so forth from a series of decisions of defeat and surrender. Many of them established public and private relations with Israel, and wanted Tel Aviv and West Jerusalem to be the capital of Israel, despite it also being an Islamic land where Jews were not allowed to be abandoned.

What was the result of the policy of evading the rule by Shariah and seeking to appease the West was the result of the loss of the religion and the world.

My Muslim brothers: Trump was clear and frank, and revealed the true face of the modern Crusade, which does not deal with retreat and reconciliation, and only da'wah and jihad can resist it.

This fact was realized by the pioneers of jihad, and Sheikh Usamah – may Allah have mercy on him – announced that America is the Hubal of the era, and the first enemy of the Muslims, and he swore that American would not dream of security until we actually live it in Palestine, and until all the disbelieving armies depart from the land of Muhammad, may Allah's prayer and peace be upon him.

So this is the way to liberate Palestine and all abodes of Islam and establish Shariah and established the Caliphate, verily it is a path of da'wah to rule by Shariah, and unity around the word of tawhid, and jihad for the sake of Allah.

And every other way retreats before the greatest criminals keen on obtaining little gain, or fear of classification is a path of loss of religion and the world.

So what we need today is to liberate Palestine, and all the other abodes of Muslims is to declare disbelief upon this criminal international tyrannical system, and that we unite around the word of tawhid, and embark in the battle of da'wah and jihad as one Ummah on multiple fronts, not as separate groups that retreat before the imperatives of the greatest criminals.

And our last prayer is praise be to Allah the Lord of the Worlds, and Allah's prayer and peace be upon our master Muhammad and upon his family and his companions.

And may Allah's prayer and peace and blessings be upon you.
